

9 Steps to Reducing Worker Exposure to COVID-19 in Meat, Poultry, and Pork Processing and Packaging Facilities Poster

Keep you and the people working around you safe.
Take these steps even if you have no symptoms of COVID-19.

9 Steps to Reducing Worker Exposure to COVID-19 in Meat, Poultry, and Pork Processing and Packaging Facilities

Keep you and the people working around you safe. Take these steps even if you have no symptoms of COVID-19.

1 Stay home if you are sick.

2 Maintain at least six feet physical distance between coworkers.

3 Avoid group gatherings during work breaks, even if outside.

4 Install partitions along the production line to achieve physical distance.

5 Avoid sharing equipment and tools. Regularly clean tools and equipment that must be shared.

6 Use soap and water for handwashing.

7 Wear protective equipment for general safety and to limit the spread of the virus.

8 Report any safety and health concerns to your supervisor or to OSHA.

9 Avoid commuting to and from work, if possible.

Stay current on public health recommendations. For more information, visit www.osha.gov/covid-19 or call 1-800-371-OSHA (4742).
