

How Do I Access My Online Training Account?

As a SafetyNow ILT member, you have access to hundreds of tools, links, and everything you need to update your safety training program, and now you have robust LMS and training resources too.

Just click on the “eLearning login link” and use your email and new LMS password to access the new Bridge Learning Management System.

If you don’t see a link on your homepage, contact our Customer Service team at 1-800-667-9300 or email support@safetynow.com.
