About This Webinar

Integrate mental health strategies to enhance workplace safety.

Join us for an informative webinar featuring Alka Ramchandani-Raj, Shareholder and Co-Chair of the Occupational Safety and Health Practice Group at Littler Mendelson P.C. With extensive experience in workplace safety and health compliance, Alka helps employers navigate complex workforce challenges and implement effective safety programs.

What You'll Learn:

- **Identifying Mental Health Risks** – Learn to recognize signs that may impact workplace safety.
- **Implementing Supportive Measures** – Discover strategies to effectively address mental health concerns.
- **Ensuring Compliance** – Gain insights into legal obligations related to mental health and workplace safety.

Don't miss this opportunity to strengthen your workplace safety protocols. Join us in creating a safer, more supportive work environment.

About the Speaker

Alka Ramchandani-Raj

Co-Chair of the Occupational Safety and Health Practice Group and Employment Shareholder at Littler

Alka Ramchandani-Raj is a seasoned employment lawyer specializing in Federal and State Occupational Safety and Health law. She assists employers with workplace safety compliance, injury prevention, and managing OSHA inspections, including catastrophic

workplace accidents and fatalities. Alka also has extensive experience handling workplace violence issues, securing restraining orders, and advising on compliance for automation, AI, and robotics in the workplace.

A recognized speaker and trainer, she provides guidance on OSHA compliance, workplace investigations, violence prevention, harassment prevention, and California employment laws. She previously taught Mediation for Litigators at Berkeley Law School and served on the board of Narika, supporting efforts to combat domestic violence.
