

Dealing With Mental Health Issues in the Workplace

Recorded Date: March 5, 2025

Speakers: Lorenzo Lisi, Leader, Workplace Law Group, Aird & Berlis LLP

About This Webinar

Mental health is a cornerstone of employee well-being and organizational success. In today's fast-paced work environment, HR professionals must be equipped with the knowledge to address mental health challenges effectively.

Join us on March 5 at 11:00 AM Pacific Time for the webinar, Dealing With Mental Health Issues in the Workplace, featuring Lorenzo Lisi, Leader of the Workplace Law Group at Aird & Berlis LLP. With over 30 years of experience in labour and employment law, Lorenzo will share expert insights into fostering a mentally healthy workplace.

What You'll Learn:

1. Recognizing Mental Health Challenges: Identify signs of mental health struggles and understand their impact on employees and productivity.
2. Legal Responsibilities: Navigate employer obligations under current legislation to ensure compliance.
3. Implementing Supportive Measures: Develop practical strategies to foster a culture of mental well-being in the workplace.

This session is proudly sponsored by HR Insider, Canada's trusted HR compliance solution, empowering professionals with tools to manage workplace challenges effectively.

About the Speaker
